Libra Mauro Todesco, in collaborazione + Emera Design

Lampada da terra, a braccio, il cui design essenziale consente di muovere la luce nello spazio. Libra, è caratterizzata da tangenze ed equilibrio, attraverso snodi magnetici. Base ruotante a 360°, braccio basculante di 240 cm verniciato finitura petwer (5L) e fonte luminosa ruotante a 360°. Luce a LED. Connessione delle diverse parti realizzata attraverso tre snodi magnetici, che permettono il passaggio elettrico, senza fili. Base in marmo, disponibile in Arabescato Orobico, Carrara Gioia e Nero Marquina. Il diffusore permette massima efficienza nell'illuminazione dei piani orizzontali. Due interruttori vicini alla fonte luminosa, uno permette l'accensione e lo spegnimento, così come la dimmerabilità. Il secondo interruttore cambia la temperatura della luce, da una minima di 2200 Kelvin ad una massima di 6000 Kelvin. Il CRI dei LED è maggiore di 90, con lumen pari a 2000. Cavo tessile.

Blow

Scultura da parete circolare in acciaio inox 304 super mirror, ottenuto con soffiaggio di aria compressa in lamine saldate a TIG e successivamente lucidata. La verniciatura è accuratamente sfumata seguendo la forma e la bombatura del prodotto. Interamente realizzato a mano, Blow è un oggetto unico, mai uguale, dove eventuali difformità nelle tonalità e nella forma possono essere considerate esclusive. Disponibile in tre varianti di colori sfumate, ottenute miscelando i colori primari: ambra, diaspro, tormalina e in due dimensioni.

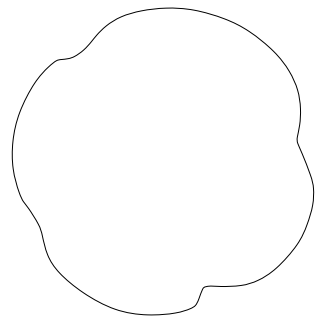

Circular wall sculpture made of 304 super mirror stainless steel, obtained by blowing compressed air into TIG-welded sheets and then polished. Painting is carefully shaded following the shape and the convexity of the product. Made entirely by hand, Blow is a unique object, never the same, where any discrepancies in colour and shape can be considered exclusive. Available in three gradient color variants, obtained by mixing primary colors: amber, jasper, tourmaline and in two dimensions.
