1. PURPOSE AND SCOPE OF APPLICATION

The purpose of these General Terms and Conditions of Sale (hereinafter the "GTCS") is to define all contractual relations between TOULEMONDE BOCHART, which specialises in luxury decoration and more particularly the creation and publication of high-end rugs, and any professional buyer wishing to place orders for products in compliance with the charter of good conduct set out in Appendix I below (hereinafter the "Buyer"). These General Terms and Conditions of Sale apply to inclusive orders from abroad. In the event of translation of the GTCS into a foreign language, the French language shall prevail over any other translation.

All orders and sales are subject to these General Terms and Conditions of Sale, which the Buyer declares to accept in their entirety without reservation. These General Terms and Conditions of Sale prevail over any other document such as a catalogue, prospectus or the Buyer's terms and conditions of purchase. TOULEMONDE BOCHART reserves the right to modify its GTCS at any time. The General Terms and Conditions of Sale applicable shall be those in force on the date of the order placed by the Buyer.

2. ORDER FORM

Orders may be placed either by sending an order form to TOULEMONDE BOCHART or by accepting a quotation from TOULEMONDE BOCHART. TOULEMONDE BOCHART reserves the right to refuse any order for any reason whatsoever, particularly in the event of a current or past dispute with the Buyer, suspicion of the Buyer's insolvency or unavailability of an ordered product.

3. PRODUCTS

Sizes of rugs produced in all hand supports may vary by ± 5%. Colours may vary from one dye to another and may develop a patina over time. TOULEMONDE BOCHART reserves the right not to restock a reference shown in its catalogues and price lists, without this entitling the Buyer the right to make any claim against TOULEMONDE BOCHART.

4. SELLING PRICE

Prices quoted are net prices in euros, exclusive of VAT and exclusive of delivery and/or installation costs, unless otherwise stated in the order confirmation. Prices are subject to VAT at the rate in effect on the date of order confirmation by TOULEMONDE BOCHART, if applicable. In the case of sales within the European Union, the Buyer must provide their intra-community identification number, if applicable.

Goods are invoiced based on the prices in effect on the day the order is placed. TOULEMONDE BOCHART reserves the right to modify its prices at any time. Any customs charges and other duties payable in the Buyer's country shall be borne by the Buyer alone.

Quotations are valid for 3 months from the date of issue.

5. ACCOUNT OPENING AND PRICE CONDITIONS

Before accepting a first order, TOULEMONDE BOCHART will open a customer account in the name of the Buyer and the latter will have to provide all information required by TOULEMONDE BOCHART to materialise their legal existence and their banking and financial situation (bank details, balance sheets, certificate of incorporation, Articles of Association, etc.).

The Buyer must then place an initial minimum installation order of at least 1,000 euros excluding VAT. This order will be shipped after payment on a pro forma basis. Customer accounts that have been inactive for at least 12 consecutive months will be automatically closed and the Buyer will lose any benefits that may have been granted, without TOULEMONDE BOCHART being held liable in any way whatsoever.

Any Buyer failing to achieve minimum annual sales of 2,000 euros excluding VAT will be closed the following year. The conditions of a new Buyer will then apply.

6. PAYMENT TERMS

Unless otherwise specified, TOULEMONDE BOCHART invoices are payable within thirty (30) days of their date of issue. Payments are to be made in euros, in cash, net and without discount, unless otherwise specified in the order confirmation and/or invoice. For pro forma payments, the goods will be shipped upon receipt of payment into TOULEMONDE BOCHART's bank account.

The goods remain the property of TOULEMONDE BOCHART until full payment of the price (including interest). However, goods are transported at the Buyer's risk.

A 50% deposit is required for all custom orders requiring special manufacturing (colour, special size, etc.) or for all orders over €6,000 excluding VAT. TOULEMONDE BOCHART also reserves the right to apply special payment terms at its discretion, in particular in the event of risk of insolvency or for large orders.

Only the following methods of payment are accepted: bank transfer, cheque.

Payments by bank transfer are to be made to the TOULEMONDE BOCHART bank account whose references appear on the invoice.

In the event of late payment of an invoice, TOULEMONDE BOCHART may request immediate payment in full of all invoices issued. In accordance with the legal and regulatory provisions in force, in the event of late payment or partial payment, the sums due will automatically and without formal notice bear interest at a rate corresponding to five (5) times the legal interest rate. In addition, TOULEMONDE BOCHART will charge a flat-rate recovery fee of €40 per invoice for each late or non-payment. Finally, any late payment will automatically result in a penalty corresponding to 15% of the amount of the unpaid invoice.

Without prejudice to the foregoing, in the event of non-payment by the Buyer of a single instalment, or non-compliance with the terms of payment, TOULEMONDE BOCHART reserves the right, at its sole discretion, to (these options may be cumulative):

- Immediately cancel any special commercial conditions granted to the Buyer;
- Suspend or cancel delivery of any outstanding order(s) without notice or compensation;
- TOULEMONDE BOCHART shall require cash payment for all future deliveries prior to shipment, or payment on account or any other means of payment at TOULEMONDE BOCHART's discretion;
- Request immediate payment of the full balance of any outstanding order(s) due to TOULEMONDE BOCHART;
- Invoice the Buyer for the cost of storing the products affected by the default in payment;
- Close the Buyer's account.

8. DELIVERY DEADLINES

The delivery times specified in TOULEMONDE BOCHART's orders are given as an indication only. Delays may not give rise to cancellation of orders, refusal of goods or damages. The delivery period does not begin to run until TOULEMONDE BOCHART has confirmed the order and, if applicable, the deposit specified in the order has been paid. TOULEMONDE BOCHART shall have the option of partial delivery. All deliveries are made from Monday to Friday and are possible at an additional cost on Saturdays.

9. TRANSPORT

Goods are dispatched by the carriers selected by TOULEMONDE BOCHART. In the event of dispatch by a special carrier, cash on delivery or express delivery, the costs will be passed on in full to the Buyer. Whatever the mode of transport or the method of payment of the transport price, carriage paid or carriage forward, the goods are transported at the Buyer's risk. The Buyer must take out insurance to cover risks arising from delivery of the goods. The Buyer must make a reservation with the carrier at the time of delivery if the carrier sees that the packages delivered are visibly damaged. TOULEMONDE BOCHART will not accept any replacement goods unless a reservation has been made to the carrier by the Buyer. The Buyer must make a reservation by affidavit drawn up by a bailiff or by registered letter with acknowledgement of receipt to the carrier within three days of receipt of the goods. TOULEMONDE BOCHART is in no way responsible for damage occurring during transport.

10. GUARANTEES

TOULEMONDE BOCHART ensures that the products comply in all respects with the essential characteristics stated in the order. However, due to the handcrafted nature of the product or the manufacturing techniques used, which give each item its quality, originality and uniqueness, conformity can only be assessed in relation to the general description of the product. Some products may have perceptible variations or peculiarities in weave, colour, shade, or pattern. These minor differences cannot be considered as a lack of conformity, nor can they lead to the cancellation of the order, nor can they engage the responsibility of TOULEMONDE BOCHART in any way whatsoever. Similarly, there may be minor differences between the products delivered and the samples or photographs shown in the TOULEMONDE BOCHART catalogue or website, for example for reasons of technical adaptation. TOULEMONDE BOCHART shall not be held liable in any way whatsoever for such differences. In view of the handcrafted nature of the products, the size of the products is indicated with a tolerance of + or - 5%. No claim will be accepted for a difference in size within 5% of the theoretical dimension. No claims will be accepted after installation or use.

TOULEMONDE BOCHART shall in no event be liable for any defect or damage arising after the transfer of risk or because of abnormal or negligent storage, maintenance or use after the transfer of risk.

The products sold by TOULEMONDE BOCHART do not carry any commercial warranty. Furthermore, it is expressly stated that TOULEMONDE BOCHART:

- may never exceed the amount paid by the Buyer for the order concerned;
- shall never be held liable for indirect, immaterial, or material damages, including but not limited to loss of earnings, damage to image, loss of opportunity or loss of profit, regardless of the legal basis (contractual, tort or quasi-litigious liability).

11. RETURN OF GOODS

Any complaint concerning a product sold by TOULEMONDE BOCHART, to be admissible, must be formulated by registered letter with acknowledgement of receipt and addressed to TOULEMONDE BOCHART's quality department within eight (8) days following receipt of the products. If this deadline is not met, each delivery will be considered accepted without reservation and TOULEMONDE BOCHART will not be held liable.

No product may be returned without the prior written consent of TOULEMONDE BOCHART, which may, at its sole discretion, decide to replace the product, in which case the product must be returned at the Buyer's expense upon receipt of TOULEMONDE BOCHART's return authorisation and in packaging that complies with the original packaging. TOULEMONDE BOCHART will not accept unauthorised or improperly packaged returns.

12. CUSTOM ORDERS

Subject to the other provisions contained in these GTCS, as soon as the Buyer approves the proposed print order, no modification or cancellation is permitted, as the order is then automatically forwarded to the production department. The Buyer's approval must be given within a maximum of thirty (30) days from the date shown on the purchase order to be validated. There is no charge for preparing the purchase order. However, if three successive validation slips are drawn up without an order finally being placed by the Buyer, a study fee of €800 per study, as well as a fee of €50 per sample for samples, will be invoiced. Approval of the order form by the Buyer is irrevocably binding. The company cannot be held responsible for any errors or omissions escaping the Buyer's attention at the time of approval of the order to be validated and the Buyer therefore assumes full responsibility. TOULEMONDE BOCHART makes every effort to ensure that the representation and specifications of the products shown on the purchase order are as faithful as possible to the actual products manufactured. However, due to the materials used, the manufacturing processes, as well as the supports used for the visualisation of the purchase order, minor discrepancies may occur between the product represented on the purchase order and the product manufactured, in particular with regard to the dimensions, colour shades, shapes and patterns of the product. Please note that the dimensions shown may vary by plus or minus 5% due to unforeseeable factors, such as loom adjustments and weather conditions during manufacture. Creations specifically designed by TOULEMONDE BOCHART as part of a special order remain the property of TOULEMONDE BOCHART.

13. COMMERCIAL REFERENCE

The Buyer expressly authorises TOULEMONDE BOCHART to mention its capacity as supplier of the Buyer as a commercial reference. The Buyer shall also use its best efforts to obtain the agreement of their own customers to allow TOULEMONDE BOCHART to mention their name as a commercial reference and to take photographs of the products and installations delivered to their premises in order to draw up a catalogue of the work carried out, to exhibit these photographs at trade fairs and shows, to create and distribute advertising material and to post these photographs on its website and/or social networks.

14. ACTS OF GOD AND FORCE MAJEURE

If TOULEMONDE BOCHART is prevented from fulfilling any of its obligations due to force majeure, and in particular delivery within the contractually agreed deadlines, TOULEMONDE BOCHART shall inform the Buyer in writing. In the event of force majeure, TOULEMONDE BOCHART's obligations shall be suspended for the duration of the force majeure and TOULEMONDE BOCHART shall have the choice of:

- to extend the delivery date without the extension of the delivery period exceeding the duration of the event, TOULEMONDE BOCHART undertaking to notify the Buyer of the new delivery date as soon as possible;
- or cancel the Buyer's order, in which case the amounts paid by the Buyer will be reimbursed within a reasonable period.

Cases of force majeure include total or partial strikes, all natural disasters, shortages of raw materials, administrative closures, pandemics, wars and acts of terrorism.

15. INTELLECTUAL PROPERTY

The creations and designs developed by TOULEMONDE BOCHART shall remain its exclusive property under all circumstances, and no transfer of intellectual property rights to the products, creations, designs, and brands shall occur as a result of an order placed by the Buyer. Under no circumstances shall the Buyer be authorised to reproduce or manufacture TOULEMONDE BOCHART products, creations, designs or trademarks, under penalty of legal action.

With respect to any order based on a design or fabric supplied by the Buyer, the Buyer warrants to TOULEMONDE BOCHART that it holds all intellectual property rights to the design in question, or that such design is in the public domain, and/or that the fabric supplied is not infringing and that it is the rightful owner thereof. In addition, the Buyer agrees to indemnify TOULEMONDE BOCHART against any claims by third parties and to bear all financial and legal consequences resulting from such claims, including reasonable attorneys' fees, in the event of litigation in this regard. In addition, TOULEMONDE BOCHART reserves the right to take any legal action necessary to preserve its rights and interests.

16. JURISDICTION AND APPLICABLE LAW

The Commercial Court of EVRY shall have sole jurisdiction to hear any dispute relating to the interpretation and execution of the GTCS, despite any clause to the contrary included in the documents produced by the Buyer, in their emails, on the purchase order or correspondence from the Buyer, and this, regardless of the place of delivery, the accepted method of payment and even in the event of a third party claim or multiple defendants. The law applicable to these terms and conditions shall be French law.

APPENDIX I - BUYER'S CODE OF CONDUCT

Given the unique characteristics of TOULEMONDE BOCHART products, the need to provide technical advice to end customers, and the prestigious image associated with these products, the Buyer undertakes in all circumstances to comply with the obligations listed below:

- It must have one or more physical locations/boutiques where the public can be welcomed, technical advice can be given, and product colours and textures can be viewed in daylight.
- It may only resell online on its own website those products for which it owns the physical collections, and which are presented for sale in its physical store. Only those references for which the Buyer has acquired the physical stock from TOULEMONDE BOCHART may be displayed on its website.
- The Buyer undertakes to achieve an annual sales volume of TOULEMONDE BOCHART products through its physical boutique equivalent to at least 25,000 euros excluding VAT (excluding shipping costs and sampling).
- The Buyer's website cannot be hosted on a third-party platform such as a marketplace.
- The page dedicated to TOULEMONDE BOCHART products must be distinct from the pages dedicated to other products sold by the Buyer and must present a beautiful layout, reflecting the brand's image of luxury and prestige.
- Photographs of TOULEMONDE BOCHART products must be in high definition and ideally include a close-up highlighting the texture of the product, a representation of the situation in an atmospheric setting, and an overall view of the product.
- The Buyer's site must be approved in writing by TOULEMONDE BOCHART.
- The Buyer's website must comply with the latest IT and web standards for optimal viewing on all types of media (computers, tablets, smartphones, etc.).
- The Buyer's general conditions of sale and commercial practices must comply with current legislation, and in particular with the ban on resale at a loss and the legal provisions governing promotions and sales.
- The Buyer may not use the photographs supplied by TOULEMONDE BOCHART for its catalogues, price lists, website, or those from other customers or third parties. The resale of TOULEMONDE BOCHART products on the Internet does not give the Buyer the right to use the photographs appearing on the TOULEMONDE BOCHART website without its express authorisation, which will be granted in exchange for the payment of a usage fee. Where applicable, these photographs may only be used for a limited purpose, as expressly agreed with TOULEMONDE BOCHART. Unauthorised use of photographs belonging to TOULEMONDE BOCHART will be prosecuted and may lead to the closure of the Buyer's account.
- The Buyer's website must not create confusion in the public mind with TOULEMONDE BOCHART's website and must not use distinctive signs, trademarks, trade names or domain names identical or similar to those of TOULEMONDE BOCHART.
- All legal information required to adequately inform the end-buyer must be provided for each reference.

Any breach of these provisions shall be deemed a serious breach of these GTCS and shall entitle TOULEMONDE BOCHART to immediately terminate the business relationship and suspend deliveries. In the event of damages resulting from this breach, TOULEMONDE BOCHART reserves the right to claim compensation for the loss suffered and to take all necessary measures to put an end to this breach.

Designers, architects, and consulting firms will be able to download the images available on the TOULEMONDE BOCHART website free of charge and without any sales obligation, provided that the images are to be used as part of a private overall project for their customers, such as hotels, restaurants, exhibition spaces, etc., which is not to be published on the web.
